An illustration showing a chef in a white uniform and hat on the left, and a young child in a similar uniform on the right. They are both smiling and appear to be preparing food together. In the foreground, there is a large platter of food, including what looks like a lobster and some greenery. To the right, there is a brown pig and a brown dog with a white collar. The background features a traditional building with a red roof, a blue bird perched on the roof, and stylized trees and hills. The overall style is colorful and whimsical.
